

DATA PROTECTION DECLARATION

TravelTainment GmbH

§ 1 General

We, TravelTainment GmbH, are very serious about protecting your personal data (such as name, address, password) and strictly adhere to the regulations governing data protection.

TravelTainment GmbH adheres to the principle of data minimisation. Only the personal data which is absolutely required is recorded. This means that the only data which is collected, saved and processed is the data necessary for processing the user request or maintaining the contractual relationship between the user and TravelTainment GmbH.

Your personal particulars (e.g. title, name, address, email address, telephone number) are processed by us in accordance with the provisions of the German data protection regulations. The following regulations inform you about the type, extent and purpose of the elicitation, processing and utilisation of personal data. This data protection declaration only applies to our own websites. If there are links leading from our pages to other websites, please inform yourself there about the way your data is handled.

§ 2 Automatic data recording

For technical reasons, the following data, which is transmitted to us by your Internet browser, is collected:

- browser type and version
- operating system
- referrer website (referrer URL)
- web pages accessed by you
- time of your access
- your Internet protocol (IP) address

This data is analysed for statistical purposes in order to make it possible for us to optimise our Internet appearance and offers.

§ 3 User data

(1) Your personal data, which is required in order for you to access our offers and make purchases, is used for contract implementation purposes. This especially includes identification attributes and data pertaining to the respective scope of use of the teleservices requested by you. Data necessary for the billing procedure (settlement data) may be forwarded to other service providers or third parties, in as far as this is required. This user and settlement data is deleted once our claims for payment have been met in full. If any legal or contractual considerations exist stipulating minimum data storage periods, the respective data is blocked for this period instead of being immediately deleted.

(2) If instructed to do so by the respective authorities, we may, in individual cases, disclose user data for the purposes of criminal prosecution, danger aversion by the state police authorities, compliance with the statutory obligations of the federal and state authorities for constitution protection, the Federal Intelligence Service or the Military Counter-Intelligence Service or the enforcement of intellectual property rights.

§ 4 Disclosure

On request, we will inform you on all data stored about you or your pseudonym. This information can be transmitted to you electronically, should you so wish. For this purpose, please turn to:
